16 PROVISIONS CONCERNING APPROPRIATIONS

17 **GENERAL SECTIONS**

18 Sec. 203. As used in this bill, "research university" means a

19 public university classified as a "research university (very high

20 research activity)" under the 2005 classification of institutions

21 of higher education conducted by the Carnegie foundation for the

22 advancement of teaching.

23 Sec. 208. Unless otherwise specified, the institutions of

24 higher education receiving appropriations in part 1 shall use the

25 Internet to fulfill the reporting requirements of this bill. This

26 requirement may include transmission of reports via electronic mail

27 to the recipients identified for each reporting requirement, or it

28 may include placement of reports on an Internet or Intranet site.

1 Sec. 209. Funds appropriated in part 1 shall not be used for
2 the purchase of foreign goods or services, or both, if
3 competitively priced and of comparable quality American goods and
4 services, or both, are available. Preference should be given to
5 goods or services, or both, manufactured or provided by Michigan
6 businesses if they are competitively priced and of comparable
7 value. In addition, preference should be given to goods or
8 services, or both, that are manufactured or provided by Michigan
9 businesses owned and operated by veterans, if they are
10 competitively priced and of comparable quality.

11 Sec. 212. (1) The funds appropriated in part 1 to state
12 institutions of higher education shall be paid out of the state
13 treasury and distributed by the state treasurer to the respective
14 institutions in 11 equal monthly installments on the sixteenth of
15 each month, or the next succeeding business day, beginning with
16 October 16, 2008. Except for Wayne State University, each
17 institution shall accrue its July and August 2009 payments to its
18 institutional fiscal year ending June 30, 2009.

19 (2) All universities shall submit higher education
20 institutional data inventory (HEIDI) data and associated financial
21 and program information requested by and in a manner prescribed by
22 the state budget director. For universities with fiscal years
23 ending June 30, 2008, these data shall be submitted to the state
24 budget director by October 15, 2008. Universities with a fiscal
25 year ending September 30, 2008 shall submit preliminary HEIDI data
26 by November 15, 2008 and final data by December 15, 2008. If a
27 university fails to submit HEIDI data and associated financial aid
28 program information in accordance with this reporting schedule, the

1 state treasurer may withhold the monthly installments under
2 subsection (1) to the university until those data are submitted.

3 Sec. 213. Funds received by the state from the federal
4 government or private sources for the use of a college or
5 university are appropriated for the purposes for which they are
6 provided. The acceptance and use of federal or private funds do not
7 place an obligation upon the legislature to continue the purposes
8 for which the funds are made available.

9 Sec. 215. A state institution of higher education that
10 receives funds under this bill shall furnish all program and
11 financial information that is required by and in a manner
12 prescribed by the state budget director or the house or senate
13 appropriations committee.

14 **UNIVERSITY OPERATIONS**

15 Sec. 433. (1) Included in part 1 is \$3,042,000.00 for the
16 agricultural experiment station and \$2,697,600.00 for the
17 cooperative extension service for project GREEN. Project GREEN is
18 intended to address critical regulatory, food safety, economic, and
19 environmental problems faced by this state's plant-based
20 agriculture, forestry, and processing industries. "GREEN" is an
21 acronym for generating research and extension to meet environmental
22 and economic needs.

23 (2) The department of agriculture and Michigan State
24 University, in consultation with agricultural commodity groups and
25 other interested parties, shall develop project GREEN and its
26 program priorities.

27 (3) Not later than September 30, 2009, a report shall be
28 submitted by Michigan State University to the state budget
29 director, the house and senate appropriations subcommittees on

1 agriculture and on higher education, and the house and senate
2 fiscal agencies for the preceding fiscal year regarding project
3 GREEN projects. The report shall include, but is not limited to,
4 the dollar amount of each project and a review of each project's
5 performance and accomplishments.

6 Sec. 436. It is expected that each university will limit its
7 resident undergraduate tuition and required fees increase from
8 academic year 2007-2008 to academic year 2008-2009 to no more than
9 the projected inflationary increase of 2.3 percent. Additionally,
10 if any state university increases its resident undergraduate
11 tuition and required fees from academic year 2007-2008 to academic
12 year 2008-2009, then that university shall increase its fiscal year
13 2008-2009 general fund expenditures for student financial aid by at
14 least the same percentage as the percentage change in resident
15 undergraduate tuition and required fees. Each state university
16 shall report its proposed fiscal year 2008-2009 general fund
17 expenditures for student financial aid compared to its projected
18 fiscal year 2007-2008 general fund expenditures for student
19 financial aid, and its projected academic year 2008-2009 resident
20 undergraduate tuition and required fee changes from academic year
21 2007-2008, to the state budget director and the house and senate
22 appropriations subcommittees on higher education by November 15,
23 2008.

24 Sec. 440. All universities shall submit the amount of tuition
25 and fees actually charged to a full-time resident undergraduate
26 student for academic year 2008-2009 as part of their higher
27 education institutional data inventory (HEIDI) data by August 31,
28 2008. A university shall report any revisions for any semester of

1 the reported academic year 2008-2009 tuition and fee charges to
2 HEIDI within 15 days of being adopted.

3 Sec. 466. State universities shall coordinate their purchases
4 of goods and services whenever possible. This may include, but is
5 not limited to, group purchases for vehicles, utilities, supplies,
6 electronic equipment, maintenance equipment, books, and contractual
7 services. To the extent possible, the state universities shall use
8 both the "Michigan delivering extended agreements locally" (MiDEAL)
9 purchasing services of the state department of management and
10 budget that makes state contracts available to local units of
11 government, colleges, and universities and the purchasing services
12 available through the state's membership in the Midwestern Higher
13 Education Compact (MHEC). Not later than January 1 of each year,
14 the presidents council, state universities of Michigan shall submit
15 to the members of the house and senate appropriations subcommittees
16 on higher education, the house and senate fiscal agencies, and the
17 state budget director a report on group or pooled purchases and the
18 savings achieved by the state universities in the previous fiscal
19 year.

20 Sec. 468. The increase for university operations funding
21 contained in part 1 is allocated to each university using a three-
22 part incentive-based formula to promote greater participation of
23 low-income students in higher education, to reward university
24 research and technology transfer, and to recognize the success of
25 the university in graduating students.

26 Sec. 469. Each university shall report the number of students
27 that graduated in academic year 2007-2008 and received a Pell grant
28 at any time during their enrollment at that university to the state

1 budget director and the house and senate fiscal agencies by
2 November 14, 2008.

3 **MARTIN LUTHER KING, JR. - CESAR CHAVEZ - ROSA PARKS PROGRAMS**

4 Sec. 501. (1) Included in the appropriation for each state
5 university in part 1 is funding for the Martin Luther King, Jr. -
6 Cesar Chavez - Rosa Parks future faculty program, that is intended
7 to increase the pool of academically or economically disadvantaged
8 candidates pursuing faculty teaching careers in postsecondary
9 education. Preference may not be given to applicants on the basis
10 of race, color, ethnicity, gender, or national origin. Institutions
11 should encourage applications from applicants who would otherwise
12 not adequately be represented in the graduate student and faculty
13 populations. Each state university shall apply the percentage
14 change applicable to every state university in the calculation of
15 appropriations in part 1 to the amount of funds allocated to the
16 future faculty program.

17 (2) The program shall be administered by each state university
18 in a manner prescribed by the Michigan department of labor and
19 economic growth. The Michigan department of labor and economic
20 growth shall use a good faith effort standard to evaluate whether a
21 fellowship is in default.

22 Sec. 502. (1) Included in the appropriation for each state
23 university in part 1 is funding for the Martin Luther King, Jr. -
24 Cesar Chavez - Rosa Parks college day program that is intended to
25 introduce academically or economically disadvantaged schoolchildren
26 to the potential of a college education. Preference may not be
27 given to participants on the basis of race, color, ethnicity,
28 gender, or national origin. Institutions should encourage

1 participation from those who would otherwise not adequately be
2 represented in the student population.

3 (2) Individual program plans of each state university shall
4 include a budget of equal contributions from this program, the
5 participating state university, the participating school district,
6 and the participating independent degree-granting college. College
7 day funds shall not be expended to cover indirect costs. Not more
8 than 20% of the university match shall be attributable to indirect
9 costs. Each state university shall apply the percentage change
10 applicable to every state university in the calculation of
11 appropriations in part 1 to the amount of funds allocated to the
12 college day program.

13 (3) The program described in this section shall be
14 administered by each state university in a manner prescribed by the
15 Michigan department of labor and economic growth.

16 Sec. 505. (1) Included in the appropriation for each state
17 university in part 1 is funding for the Martin Luther King, Jr. -
18 Cesar Chavez - Rosa Parks visiting professors program which is
19 intended to increase the number of instructors in the classroom to
20 provide role models for academically or economically disadvantaged
21 students. Preference may not be given to participants on the basis
22 of race, color, ethnicity, gender, or national origin. Institutions
23 should encourage participation from those who would otherwise not
24 adequately be represented in the student population.

25 (2) The program described in this section shall be
26 administered by the Michigan department of labor and economic
27 growth.

28 **STUDENT PERFORMANCE REPORTING**

1 Sec. 601. (1) From the amount appropriated in part 1 for state
2 universities, the state universities shall systematically inform
3 Michigan high schools regarding the academic status of students
4 from each high school in a manner prescribed by the presidents
5 council, state universities of Michigan in cooperation with the
6 Michigan association of secondary school principals.

7 (2) The Michigan high schools shall systematically inform the
8 state universities about the use of information received under this
9 section in a manner prescribed by the Michigan association of

11 council, state universities of Michigan.

12 Sec. 602. From the amount appropriated in part 1 for state
13 universities, the state universities shall inform Michigan
14 community colleges regarding the academic status of community
15 college transfer students in a manner prescribed by the presidents
16 council, state universities of Michigan in cooperation with the
17 Michigan community college association.

18 Sec. 603. State universities shall work with the state
19 community colleges to encourage the transfer of students from the
20 community colleges to the state universities and to facilitate the
21 transfer of credits from the community colleges to the state
22 universities.

23 GENERAL REPORTS AND AUDITS

24 Sec. 701. (1) The auditor general shall review higher
25 education institutional data inventory (HEIDI) enrollment data
26 submitted by all state universities and may perform audits of
27 selected state universities if determined necessary. The review and
28 audits shall be based upon the definitions, requirements, and
29 uniform reporting categories established by the state budget

1 director in consultation with the HEIDI advisory committee. The

17 programs regardless of teaching location.

18 (e) Student credit hours generated in new degree programs
19 after January 1, 1975, that have not been specifically authorized
20 for funding by the legislature, except spin-off programs converted
21 from existing core programs that do all of the following:

22 (i) Represent new options, fields, or concentrations within
23 existing programs.

24 (ii) Are consistent with the current institutional role and
25 mission.

26 (iii) Are accommodated within the continuing funding base of the
27 institution.

1 (iv) Do not require a new degree level beyond that which the
2 institution is currently authorized to grant within that discipline
3 or field.

4 (v) Do not require funding from the state other than that
5 provided by the student credit hours generated within the program,
6 either before program initiation or within the first 3 years of
7 program operation.

8 (3) The auditor general shall periodically audit higher
9 education institutional data inventory (HEIDI) data as submitted by
10 the state universities for compliance with the definitions for the
11 HEIDI database established by the state budget director in
12 consultation with the HEIDI advisory committee.

13 (4) "Distance learning instruction" as used in subsection (2)
14 means instruction that occurs solely in other than a traditional
15 classroom setting where the student and instructor are in the same

20 Sec. 702. The principal executive officer of each institution

25 days after the auditor general issues his or her report on the
26 operation of the institution. The institution's report shall
27 specify all of the following:

1 (a) The recommendations of the auditor general implemented by
2 the institution, including projected dates and resources required,

5 by the institution or implemented by the institution as modified.

6 (c) The rationale for not implementing a recommendation of the
7 auditor general or of implementing a recommendation as modified.

8 Sec. 708. The auditor general may conduct performance audits
9 of state universities during the fiscal year ending September 30,
10 2009 as the auditor general considers necessary.

29 low-income students in higher education, to reward university

1 research, and to recognize the success of the university in
2 graduating students.

3 Sec. 469. Each university shall report the number of students
4 that graduated in academic year 2007-2008 and received a Pell grant

10 and the participating independent degree-granting college. College
11 day funds shall not be expended to cover indirect costs. Not more
12 than 20% of the university match shall be attributable to indirect
13 costs. Each state university shall apply the percentage change
14 applicable to every state university in the calculation of
15 appropriations in part 1 to the amount of funds allocated to the
16 college day program.

17 (3) The program described in this section shall be
18 administered by each state university in a manner prescribed by the
19 Michigan department of labor and economic growth.

20 Sec. 505. (1) Included in the appropriation for each state
21 university in part 1 is funding for the Martin Luther King, Jr. -

19 PART 2

20 PROVISIONS CONCERNING APPROPRIATIONS

21 GRANTS AND FINANCIAL AID

22 Sec. 301. (1) Payments of the amounts included in part 1 for
 23 the state competitive scholarship program shall be distributed
 24 pursuant to 1964 PA 208, MCL 390.971 to 390.981.

25 (2) The Michigan higher education assistance authority shall
 26 implement a proportional competitive scholarship maximum award
 27 level for recipients enrolled less than full-time in a given
 28 semester or term.

1 (3) If a student who receives an award under this section has
2 his or her tuition and fees paid under the Michigan educational
3 trust program, pursuant to the Michigan education trust act, 1986
4 PA 316, MCL 390.1421 to 390.1442, and still has financial need, the
5 funds awarded under this section may be used for educational
6 expenses other than tuition and fees.

7 (4) If the Michigan higher education assistance authority
8 increases the maximum award per eligible student from that provided
9 in the previous fiscal year, it shall not have the effect of
10 reducing the number of eligible students receiving awards in
11 relation to the total number of eligible applicants. Any increase
12 in the maximum grant shall be proportional for all eligible
13 students receiving awards.

14 (5) Students who receive aid under 1964 PA 208, MCL 390.971 to
15 390.981, shall be awarded scholarships on the basis of merit and
16 financial need. Veterans administration benefits shall not be
17 considered in determining eligibility under 1964 PA 208, MCL
18 390.971 to 390.981.

19 Sec. 302. (1) The amounts appropriated in part 1 for the state
20 tuition grant program shall be distributed pursuant to 1966 PA 313,
21 MCL 390.991 to 390.997a.

22 (2) Tuition grant awards shall be made to all eligible
23 Michigan residents who apply before June 1, 2008 and who are
24 qualified. Tuition grant awards shall not be made to students newly
25 enrolled in a juris doctor law degree program after the 1995-1996
26 academic year.

27 (3) The Michigan higher education assistance authority shall
28 determine an actual maximum tuition grant award per student that
29 ensures that the aggregate payments for the tuition grant program

1 do not exceed the appropriation contained in part 1 for the state
2 tuition grant program. By December 15, 2008, and again by February
3 1, 2009, the authority shall analyze the status of award
4 commitments, shall make any necessary adjustments, and shall
5 confirm that those award commitments will not exceed the
6 appropriation contained in part 1 for the tuition grant program.
7 The determination and actions shall be reported to the state budget
8 director and the house and senate fiscal agencies no later than
9 February 15, 2009. If award adjustments are necessary, the students
10 shall be notified of the adjustment by the third Monday in
11 February.

12 (4) The Michigan higher education assistance authority shall
13 continue a proportional tuition grant maximum award level for
14 recipients enrolled less than full-time in a given semester or
15 term.

16 (5) If the Michigan higher education assistance authority
17 increases the maximum award per eligible student from that provided
18 in the previous fiscal year, it shall not have the effect of
19 reducing the number of eligible students receiving awards in
20 relation to the total number of eligible applicants. Any increase
21 in the maximum grant shall be proportional for all eligible
22 students receiving awards for fiscal year 2008-2009.

23 Sec. 303. (1) Included in the appropriation in part 1 is
24 funding for the Michigan work-study program established under 1986
25 PA 288, MCL 390.1371 to 390.1382, and 1986 PA 303, MCL 390.1321 to
26 390.1332. An effort should be made by each institution
27 participating in the Michigan work-study program to assure that not
28 less than 10% of those undergraduate, graduate, and professional
29 students eligible to participate in the program are placed with

1 for-profit employers no later than December 31 of each year for
2 which funding is provided under this bill.

3 (2) The Michigan higher education assistance authority shall
4 allocate funds to institutions eligible for work-study money based
5 upon each institution's specific Pell grant index and each
6 institution's utilization rate of work-study funds for the 3 most
7 recent years for which statistics are available.

8 (3) The Michigan higher education assistance authority shall
9 set aside not more than 5% of the total work-study appropriation to
10 process requests from participating institutions for allocation
11 adjustments. Allocation adjustments shall be based on criteria set
12 by the authority prior to making the allocations under subsection
13 (2).

14 Sec. 307. The auditor general may audit selected enrollments,
15 degrees, and awards at selected independent colleges and
16 universities receiving awards administered by the department of
17 treasury. The audits shall be based upon definitions and
18 requirements established by the Michigan higher education
19 assistance authority, the state budget director, and the senate and
20 house fiscal agencies. The auditor general shall accept the Free
21 Application for Federal Student Aid (FAFSA) form as the standard of
22 residency documentation. The auditor general shall submit a report
23 of findings to the senate and house appropriations committees and
24 state budget director by May 1, 2009.

25 Sec. 308. The sums appropriated in part 1 for the student
26 financial aid programs shall be paid out of the state treasury and
27 shall be distributed to the respective institutions under a
28 quarterly payment system as follows:

1 (a) For the state competitive scholarship, nursing
2 scholarship, tuition incentive, and tuition grant programs, 40%
3 shall be paid at the beginning of the state's first fiscal quarter,
4 40% at the beginning of the state's second fiscal quarter, 10% at
5 the beginning of the state's third fiscal quarter, and 10% at the
6 beginning of the state's fourth fiscal quarter.

7 (b) For the work-study program, payments shall be made in 11
8 monthly installments from October 1 to August 31 of any year.

9 (c) For the part-time independent student program and the
10 Michigan education opportunity grant program, 50% shall be paid at

15 shall be paid at the beginning of the state's first fiscal quarter
16 and 50% at the beginning of the state's second fiscal quarter.

17 Sec. 309. The Michigan higher education assistance authority
18 shall determine the needs analysis criteria for students to qualify
19 for the state competitive scholarship program and tuition grant
20 program. To be consistent with federal requirements, student wages
21 may be taken into consideration when determining the amount of the
22 award.

23 Sec. 310. (1) The funds appropriated in part 1 for the tuition
24 incentive program shall be distributed as provided in this section
25 and pursuant to the administrative procedures for the tuition
26 incentive program of the department of treasury.

6 sixth grade.

7 (4) For phase I, the department shall provide payment on
8 behalf of a person eligible under subsection (3). The department
9 shall reject billings that are excessive or outside the guidelines

12 participation and ensure that all requirements of the program are
13 met.

14 (8) Applications for the tuition incentive program may be
15 approved at any time after the student begins the sixth grade. If a

19 (9) Each institution shall ensure that all known available
